HARVARD CAPS HARRIS POLL

Field Dates: June 15-17, 2021
This survey was conducted online within the United States from Field Dates: June 15-17, 2021 among 2,006 registered voters by The Harris Poll.

Results were weighted for age within gender, region, race/ethnicity, marital status, household size, income, employment, education, political party, and political ideology where necessary to align them with their actual proportions in the population. Propensity score weighting was also used to adjust for respondents’ propensity to be online.

The poll was supervised by pollsters:
Mark Penn -- Chairman, The Harris Poll
Dritan Nesho -- CEO, HarrisX
Prof. Stephen Ansolabehere CAPS Director, Harvard
