baronsyntax@gmail.com: Did you see slashdot last week?

me: negative

baronsyntax@gmail.com: There was something posted on Friday that you might have found interesting

me: I'll take a look, thanks

me: glad that's not my problem anymore :)

baronsyntax@gmail.com: yes

me: I have regrets, don't get me wrong...

me: but that shit was stressful

me: still our secret though, eh?

baronsyntax@gmail.com: yup

baronsyntax@gmail.com: I'm spilling the beans when I turn 65 though

me: lol

me: ok

me: miss ya dude

me: you still thinking of coming up?

baronsyntax@gmail.com: I'd like to, but I want to visit Shelly

baronsyntax@gmail.com: and she can't tell me when a good time to visit would be

baronsyntax@gmail.com: if I come during the wrong time, she might get swamped in work and I might actually not see her

me: I gotcha

baronsyntax@gmail.com: alright, how about April/May timeframe?

me: could work... I know my sister is planning to be in austin in april, so I'm going to try to be there then

me: there was something in may, can't remember now, but I'll know better closer to the time

baronsyntax@gmail.com: cool, we'll figure it out
