Has anyone heard of Silk Road? They claim to be an "anonymous marketplace" that uses Tor and Bitcoin to broker anonymous transactions. They seem legit, but wanted to see if anyone here has any experience on the site. The hidden URL is <http://tydgccykixpbu6uz.onion>, or you can go through <http://silkroad420.wordpress.com>.

Would be interested to hear any feedback...

All the best,
Drugs Forum
