Please thoroughly inspect your item and make sure that it has not been damaged in shipping. Any signs of damage should be reported to the shipping company and SACS Distributors so that the proper steps can be taken. Damage that is discovered but not immediately reported will not be the responsibility of SACS Distributors.

If there is a problem with your item, please do not hesitate to contact us. We value your business and will do our very best to insure that you have the best service possible. If you feel that this transaction did not meet your needs, give us a chance to fix the problem before leaving negative feedback.

If you have any questions or comments, please contact us directly at sales@sacsdistributors.com.

It's been a pleasure doing business with you,

SACS Distributors
