Important Notes

| | |
|---|---|
| • | Please review this itinerary carefully and, if you find any discrepancies, contact us within 24 hours. |
| • | Airline schedules are subject to change. We strongly suggest that you reconfirm your reservation with us or the ticketed carrier within 72 hours of your flight. |
| • | These air tickets are non-refundable. |
| • | Changes or cancellations to air tickets, when permitted by the airline, must be made prior to your originally scheduled flight by calling us or the airline directly. If you fail to use a portion of your ticket without cancelling or changing your reservation ahead of time, the entire ticket will become void with no refund or residual value. |
| • | When changes are permitted, a penalty will typically apply in addition to any fare difference when changing to a more expensive itinerary. |
| • | All fliers over the age of 17 must travel with a government issued photo ID (e.g. driver's license/passport). Air tickets cannot be transferred or used by another individual. |
| • | For domestic flights, it is recommended that you arrive at the airport no later than 1 hour prior to flight time. For international flights, you should allow at least 2 hours. |
