alias hidden stats: (hidden)	<i>review for:</i> New York Driver's License (Hologram + Scannable) Terrible quality, looks 0 fake, got denied twice, doesn't even scan. Made me FE now I can't get my money back, don't even think about buying from this guy.	1y 6m old 1 of 5
alias hidden stats: (hidden)	<i>review for:</i> New York Driver's License (Hologram + Scannable) I gave him over 2 weeks in advanced notice and told him I did not want it unless it was here in time. Claims to have sent out the package on friday although the tracking states that the post office did not receive it until the following Tuesday. I am very upset I worked with this vendor. I do not recommend. The only reason why he gets a 2 is because he did send it.	1y 6m old 2 of 5
