### Description

ID Form:

(Whatever info you provide below will be the same info that goes on the card, please double check to make sure there are no mistakes)

Name:  
Date of Birth (MM/DD/YY):  
Height:  
Weight:  
Hair Color:  
Eye Color:  
Issue Date: (If you don't provide an issue date i'll make one up for you)  
Address: (If you don't provide an address ill make one up for you)  
-Take 1 photo taken with a digital camera against a wall, from the shoulders up. (The better the pic the better the ID, you can also get passport photos done and scan them, up to you)  
\*\*Try to avoid having shadows in the pictures, if there is a shadow I will do my best to edit accordingly\*\*  
-If you want your own signature, draw your signature on paper, take a pic and attach it. (If you don't send a signature or if the signature you sent isn't usable i'll make one up for you.)

What is the best way to send the ID form + pic?

Fill out your ID form, provide an Anonfiles picture link and send it in an PGP encrypted message at checkout. If you don't know how to encrypt yet use privnote.com to upload the ID form along with the Anonfiles picture link.

Anonfiles URL: anonfiles.com  
Privnote URL: privnote.com

For those who want to start PGP encrypting, download the program GPG4USB, its the easiest encryption tool to use

GPG4USB URL: http://gpg4usb.cpunk.de/  
\*Include shipping details at checkout\*
