- Can I make a paypal on this card?

Yes, you can purchase products in internet and card will verify your paypal. Buy VPN to this card and get anonymous paypal account.

- Will card work all around the world?

Yes, but I won't ship everywhere. I won't ship to Cosovo, Nigeria due to nigerian scam/fraud, Vietnam, China, Cuba because this countries can be blocked. Apart of that, everywhere like USA, Australia, New Zeland, Sweden, France, UK, Spain, Germany will work fine.

- Does 1 card accept all currencies?

Yes and no, it accept all incoming transfers in every currency and all outcoming transfers but if main currency is euro and you withdraw dollars you will pay extra 2% fee for exchange in ATM. If you order euro and withdraw euro only 2.5 EURO fee.

- What is expiration date?

- it's usually 2 years, sometimes 2 and half or 2 and 7 months. Not long period but you can exchange and withdraw a lot of bitcoins. You can use it for long time and have fun because no one see that you use it. Enjoy !

ADVANTAGES:

- you can withdraw money from all ATM around the world anonymously
- card is available in 3 currencies: USD, GBP, EUR
- you can transfer black money on this card and noone will spy it
- you can withdraw money from bitcoins anonymously
- very low fees only 2.5 EUR when you withdraw money from ATM
- checking balance and list of transactions by text message

DISADVANTAGES:
